

IMPORTANT INFORMATION – PLEASE READ!!

KIDS AFTER SCHOOL PATUMAHOE HOLIDAY PROGRAMME CHECKLIST

To contact the programme at any time or to report absences, please call

Patumahoe – 027-694-3014

Please ensure any food allergies or dietary requirements have been added to your child's Aimy profile, as we often have cooking activities during the day. It's a good time to also check profile details for yourself and your children to ensure they are up to date.
Please note KAS **does not** operate its **breakfast** service during holidays.

Children require the following EVERYDAY:

- Packed morning tea & lunch
- Named drink bottle is a must**
- Weather appropriate clothing for going outside/on trips
- Warm layers as many of our halls do not have heating and the weather is changeable

Special Days - Extra Requirements

Please note on a trip day your child/ren **must be at the Programme by 8.15am** or risk missing the transport. Due to time constraints, we cannot guarantee your child/ren will be able to attend that day as transport needs to leave at the scheduled time.

Monday 30th September
